COMPANY INTRODUCTION

As a member of DELTA Group – one of the leading construction groups in Vietnam – **Delta E&C** was established based on the inheritance of innovation spirit and high technical standards. The company specializes in providing comprehensive Consulting, Project Management, and Turnkey Construction Implementation Services.

MR. TRAN MAI LE
Chairman/ General Director

Delta E&C remains steadfast in its philosophy of “Build with Conscience and Knowledge,” placing construction quality and customer satisfaction at the core of everything we do. Backed by a highly experienced workforce, a strong sense of responsibility, and professional management practices, **Delta E&C** is committed to delivering safe, sustainable, and high-quality projects that meet the most demanding technical standards while maximizing investment efficiency. Every project represents not only our commitment to quality and timely delivery but also a testament to our credibility, expertise, and long-term dedication to our partners and clients. Through every project, we strive to create lasting value for the community and contribute to the sustainable development of society.
